What students say...

Christian Rudianto, Indonesia, Master of Applied Linguistics (in TESOL) at Macquarie University

Scholarship student Christian came from Indonesia in January 2006.

“When I first arrived I had no idea what to do. But when class started, I got friends, study groups...my social life helped a lot with my study. For me, experiencing a multicultural life is as important and interesting as studying my program here.

I enjoy Sydney and I enjoy studying here. Before they arrive, most people worry about accommodation and life in Australia. I tell them not to worry so much...people will help you here.”
